About us

Optima Global Solutions, Inc. is a Small Disadvantaged Business founded in 2001 and headquartered at Lawrenceville, New Jersey.

We strive to be a quality “one stop center” for all the IT needs of our prospective clients, which include both the private sector companies as well as the Federal and State Government agencies. We have a strong I.T staffing capability with a quick response time due to our growing internal HR database of qualified and contingent I.T resources.

We derive our competitive advantage from our diverse experience and ability to provide premium quality customized IT solutions

and software services at very reasonable prices. We have acquired an enormous wealth of domain knowledge and experience in meeting the unique challenges from our customers through undertaking projects of significant scale and complexity. As a result, our track record in delivering true industry-led solutions is second to none. We are registered with SAM.gov and D&B.

We are a dynamic and growing company with great track record, listed in the Inc. 500|5000 List of America’s Fastest Growing Private Companies and also top 20 IT services company listed in the Silicon India SI100 list.
